**Monmouth Mall Makeover:  
Phase I Nearly Complete!**

Come check it out! The interior renovation plan includes new flooring, modified ceiling treatments, painting and upgraded lighting.

Work (Phase I) began the week of July 12 and will begin again (Phase II) in January 2011.

In Phase II the food court entrance will be significantly enhanced and the food court will feature a new, updated look, including new furniture. Upgrading of the upper- and lower-level sections will continue as well. All work should be finished by Summer 2011!

Construction updates will periodically be posted on MonmouthMallOnline.com. Thank you for your understanding during the construction process!
